DEATH OF MISS ELLA TANNEHILL—Miss Ella Tannehill passed away at her home three and one-half miles north of the city at 10:20 o'clock yesterday. Funeral at Presbyterian church at 2 o'clock today.

TRINITY LADIES WILL GIVE TEA—The Woman's auxiliary of Trinity church will give a social tea this afternoon at Mrs. Bennett Gough's, 804 North Fourth avenue, from 2 to 5 o'clock. The ladies will be glad to welcome all friends.

HERE FOR THE WINTER—Tom McGinnis and family of Chicago who have a nice home on North Central avenue and have spent their winters in Phoenix for a number of years, are here for the present season.

REVENUE OFFICER—Deputy Collector Frank B. Blundy of the Internal revenue service left last night for Santa Fe, N. M., after compiling a lot of corporation data for the government. He has been here about ten days.

WILL GO WITH A WHOOP—H. Henrich of Bowie, who attended the republican meeting at Tucson recently, was in town yesterday and said that Bishes, Globe, Clifton, Morenci and Tucson would be carried by the Republicans with a whoop.

LIFTED THE STEEL—Anybody to whom a Mexican may apply to dispose of a good ax at a surprisingly cheap price, will do well to see John E. Lewis before closing a deal. Mr. Lewis fancies that such an incident may follow the disappearance of his ax recently.

W. P. NELSON BEREAVED—W. P. Nelson of the Nelson & White Shoe company, left the first of the week for Bozaz, Alabama, where he has been called by the death of his mother. Mr. Nelson will continue to Altoona, Pa., where arrangements have been made for the burial of the body.

A BABY DAUGHTER—Mrs. Carl Muskat, formerly Miss Portia Baker, sister of Mrs. Chas. Christy, is the mother of an eight-pound daughter, which arrived at her home in Milwaukee, Wis., on Monday morning. Mrs. Muskat is well known in Phoenix, and her many friends will be pleased to learn of her happiness and that she is making an excellent recovery.

COUNTY CANDIDATES—The republican county candidates held a fine meeting last night in the Creighton school house. Refreshments were served and there was a general good time. The candidates told the people what they stood for and personally appealed to them to endorse their attitude by tendering their votes. The candidates will hold a similar meeting tonight in the Cartwright school house.

ARCHAEOLOGICAL—Yesterday the employees of the Barber Asphalt Paving Co., in their exploration for bed rock preliminary to the laying of a pavement on First avenue, exclaimed what seemed to be the rails and ties of a street car track. Older settlers identified the relic as the property of the Phoenix Railway company. It is said the line was operated in the early part of 1911 but there have been so many changes in Phoenix since then that the running of cars on that street has been almost forgotten.

PROJECT ENDORSED—At its recently held annual meeting, the Development Board of Arizona launched the enterprise of securing, through the first state legislature, the establishment of a state bureau of immigration. Harry Welch, secretary of the board, has received a letter from H. C. Soule, secretary of the board of trade of Parker, saying that his board at a recent meeting endorsed the project and passed a resolution requesting the members of the legislature yet to be elected in Yuma county to support the measure.

CRACKER MAN HERE—For the purpose of calling on his friends and incidentally to spend a few occasions for the Crown soda crackers, whose sale is his specialty, C. C. Dorr is in the city. Mr. Dorr comes from Pasadena and he is a highly pleasant man to meet. Incidentally, if you don't invest in some of those crackers after hearing him tell of their merit, your resisting qualities are above the average. Mr. Dorr has a host of friends among the business men of Phoenix who are always pleased at his visits whether he talks crackers or not.

NANCY AND PEGASUS—Nancy, the faithful horse which pulls a delivery rig for the Desert Inn, broke from her moorings in front of the Wing H laundry yesterday. Gaining the city plaza, around she went, scattering things in frenzy bent. Three times Nancy tore around the place, gaining momentum at every pace. A hero grabbed the reins and braced to halt the steed in her mad chase. Away he shot, as from a gun, hit on his head and around he spun, and Nancy just kept on running; but, impelled by soft regret, stopped near the man whom she'd upset, to hint that she was funny. Erstwhile the driver clambered in and took her back to Desert Inn.

GOT COOLED OFF—Supervising Engineer L. C. Hill returned Sunday from the Strawberry Valley project in Utah, having left here for that place the preceding Monday. Mr. Hill had the experience of a rather unusual variety of climate during the six days embraced in his journey. From the sun-kissed vales of Arizona he jumped into zero weather and a genuine blizzard and snowstorm. He rode forty miles to the Strawberry dam in a sleigh, through what he describes as a most delightful blizzard. Mr. Hill expects to leave tomorrow for the Elephant Butte dam for a stay of six weeks. He will be accompanied on this trip by Mrs. Hill and their daughter Margaret.

AUTOMOBILE MEN AND PYTHIAN BROTHERS TAKE NOTICE—Harry Welch wants every real estate dealer, and every other Salt River valley patriot, who has an automobile, to be at the board of trade rooms this morning at 10 o'clock, to take the Pythian soldiers for a grand, panoramic, sight seeing trip about the valley. The Anaheim Cal. party of the uniform rank, K. of P. is at present in the city, having come for the express purpose of forming a uniform rank here and in Tempe and Mesa. They have become so enamored of Phoenix and vicinity, that some of them are planning to return and locate permanently. Now a real estate dealer is by intention, the shrewdest of the earth and Phoenix land sellers are always ready to take Mahomet to the mountain—therefore it is repeated, that they are expected to be at the board of trade rooms this morning at ten o'clock.

IN BUSINESS IN LOS ANGELES—W. H. Code who recently resigned his office as chief irrigation engineer of the U. S. Indian service, has sent to Phoenix friends cards announcing his new business affiliation. He has formed a partnership with John H. Quinton who was formerly an engineer in the reclamation service. They will engage in general practice as consulting engineers with offices at 605 Wright & Callender building, Los Angeles. Mr. Code before entering the government service lived in Mesa City, Arizona, and was closely identified with some of the largest irrigation undertakings in this valley. During his official life his experience has been all over the great west. Mr. Quinton is also well known here, both gentlemen having a host of friends in Arizona who will wish them prosperity.

HERE TO STAY—Mrs. E. H. Ruffin of Anaheim, the mother of J. E. Ruffin of the Ruffin Drug company, with her daughter, Miss Caroline Ruffin, and another son, Roger S., arrived the first of the week and will make their future home in Phoenix. They moved here from Anaheim, Cal.

EXEMPLARY GEORGE

She admitted being jealous of her husband. Consequently they quarreled frequently, and, womanlike, she confided in her best friend.

"You are unfair at times to George," said the best friend one day, as the two sat on the veranda of the suburban home. "I saw George in the city yesterday and he didn't see me. So I kept watching him. He had a seat in a crowded subway car. At least two score women, most of them pretty as a picture, came in and gazed by him or stood in front of him. And George never looked at one of them; he was deeply interested in his paper."—Philadelphia Times.
